

The TCDN Parent Handbook includes policies and procedures that have been developed with input from staff and parents and is a guide as teachers and parents work together to provide the highest quality program and safety practices for your children. Please use this tool for answering questions you may have about program or policy. We also have a copy at each site for staff and parents to refer to as questions come up at the programs.

It is important for all parents to read the Parent Handbook. Below is an acknowledgement documenting that you have read the handbook and had any questions answered. According to the Department of Public Welfare regulations, this form will be placed in your child's file. Please return this form along with all enrollment forms you need to submit before enrollment begins.

Thank you.

I/We, _____,
_____, the parent(s)/legal guardian(s) of _____,
acknowledge that I/We have read the Parent Handbook. I have asked the Program
staff or Executive Director to clarify policy that seems unclear to me/us.

I/We understand that the policies described in the Parent Handbook are not
conditions of enrollment, and the language does not create a contract between
TCDN and the parents.

I/We understand that TCDN reserves the right to alter, amend, or otherwise modify
these guidelines, in its sole discretion, without prior notice. I/We agree to review
changes when notified in the newsletter.

I/We agree to seek answers to my questions, throughout the year, in the Parent
Handbook before speaking to staff. Furthermore, I/We agree to abide by the policies
set forth in the manual.
